8th Grade Pictures!

Parents and eighth graders:

Please bring a disc with a baby picture, an early grade (Kinder.) picture, and a present day picture of the graduating student to the office by Friday, April 4th. Along with those, please bring any other pictures you are willing to share of our graduates portraying events and times throughout their years at Sacred Heart, (i.e. Kinder. Graduation, field trips, talent show, science camp, etc.). We need all pictures put on discs so that the parents who are putting the slide show together are not responsible for your precious hard copy pictures. Thank you!
