

Mrs. Mottau

I have a Bachelors degree in Child Development from San Jose State University and a Multi-Subject Teaching credential from California State University, Monterey Bay. Presently, I am working on a Masters degree in Teaching from California State University, Fresno.

I have been at Sacred Heart School Parish School for 14 years. I have had the joy of teaching preschool, fifth, and second grade before settling into fourth. This is my first year in fourth grade and I am excited to be a part of such an amazing year. As a fourth grade teacher, my goals will be to help my students achieve the study skills, the motivation, and the enjoyment that comes from being a self directed learner.

My husband and I are both natives of Hollister and have been married for 21 years. My three oldest children graduated from Sacred Heart and my youngest is currently in the fifth grade. As a volunteer for our church, I have taught Confirmation and Catechism to junior high and high school students. I enjoy spending time with my family and friends, reading, and of course, learning.
