

Mrs. Sanchez

I began teaching in early childhood education in 1992, I have taught ages two year olds to school age children. I have been at Sacred Heart Parish School since 1996 and have taught Pre Kindergarten for the past eight years. I am a Certified Catechist and I am currently working on obtaining my Master Teacher Certificate from the State of California. Being a teacher I believe it is important to be a lifelong learner.

As a member of the California Kindergarten Association, I attend the annual conference each year and participate in the First Five trainings offered through the San Benito County Office of Education.

I am a mother of two terrific sons who both graduated from Sacred Heart and are now in college. My husband and I are actively involved in our community through Sacred Heart, San Benito High School, Rotary, and many other organizations. I truly believe in the African proverb that says "It takes a village to raise a child". Through being a Pre Kindergarten Teacher to my involvement in different organizations, I hope to make a positive difference in a child's life.
