

Mrs. Scimeca

I moved to Hollister from the Santa Cruz area in fourth grade. I grew up attending many local public schools, including San Benito High School. I earned my Bachelor's degree in English with a minor in Dramatic Arts from the University of California, Davis. During my undergraduate years, I was involved in several theatrical productions and extra-curricular organizations, such as Campus Crusade for Christ, Alpha Delta Chi Christian Sorority and the Golden Key International Honor Society. I maintained high academic scores, receiving Dean's List honors and the University of California Regents Scholarship.

After graduating from University of California, Davis, I returned to Hollister to begin teaching. I was a long-term substitute at San Benito High School for one year before joining Sacred Heart Parish School in 2003. I completed my teaching credential at California State University, Monterey Bay while teaching at Sacred Heart Parish School. I have continued to work at San Benito High School during the summer school program each year. I recently finished my Master's degree in English Literature at San Jose State University.

I have very much enjoyed my years at Sacred Heart Parish School. I believe that I have been blessed to be a part of this school environment. Teaching has been my calling for as long as I can remember, and our students and parents have been wonderful to work with. Every day is full of new joys and challenges, and God is always faithful to provide His strength. I hope to be here for many years to come.
